<p>The MRF is the official record of the match, but, to enable early publication of updated tables, the LS wishes to receive results as rapidly as possible. If you can rapidly email or fax the MRF, that is ideal and complete. Otherwise, please email the result (just Teams, IMPs &amp; VPs), MRF to follow. Alternatively, call the LS soon after 9 am next day, with MRF to follow.</p> <p><u>Scanning for email</u> a resolution of 100 dpi is ample, and limits the file size. Usually you will only need to scan section 1 (down to Captains' signatures), but, if there is a dispute, please scan sections 1 and 2.</p>	<b>VP Scale</b>
